Report of Principal and School Improvement Council

Fairfax Elementary School continues to strive toward being a school of excellence. The school team is dedicated and unwavering in its desire to give each student the best education possible. Our mission is to prepare our students for living a successful life in a culturally diverse world. We will continue to focus on creating a safe and nurturing environment.

To ensure the educational growth of our students, we provide 1-1 and small group instruction on a daily basis. This involves our related arts staff, interventionists, and Literacy and Numeracy coaches. This model provides much needed scaffolding to support our math and independent reading foci.

Our parents, community, and families are indispensable to the success of Fairfax Elementary School. Much of our effort this year were aimed at getting parents to be more involved in the daily workings of the school. Our guidance counselor is instrumental in providing diverse experiences for our children. She coordinates a fabulous career day with community members coming in to showcase and share their talents. This years Career Day was particularly successful. Many community members shared with our students. They were treated to a taste of Fairfax with the cafeteria staff providing an excellent brunch. The Black History programs allow our students to celebrate our culture and take pride in connecting to our past by coloring our future with hope. We also were able to experience a Gullah Culture Residency with Marlena Smalls and the Hallelujah Singers. The students sang, danced, and recited poems and reading that told the story of our rich cultural heritage. The gym was packed with parents, community members, and surrounding areas citizens who came to see the children and the group perform.

We have a few dedicated volunteers who gave unselfishly of their time and talents to help us achieve our goals of educating each child. The Fairfax Elementary faculty and staff are studying and implementing ways to stay on track to excellence for all students so that they are recognized, respected and celebrated for the gifts they possess. As the instructional leader of this school I look forward to looking closely and listening carefully so that I am attuned to the needs of the students, the faculty, the staff, and the community.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	35.1
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Fairfax Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
X	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
